Reading state information... Done
102 packages can be upgraded. Run 'apt list --upgradable' to see them.
dan@dan-VirtualBox:~/Odoo$ sudo apt install -y docker.io docker-compose-v2
Reading package lists... Done
Building dependency tree... Done
Reading state information... Done
docker.io is already the newest version (29.1.3-0ubuntu3-24.04.2).
The following NEW packages will be installed:
  docker-compose-v2
0 upgraded, 1 newly installed, 0 to remove and 102 not upgraded.
Need to get 14.8 MB of archives.
After this operation, 66.6 MB of additional disk space will be used.
Get:1 http://archive.ubuntu.com/ubuntu noble-updates/universe amd64 docker-compose-v2 amd64 2.40.3+ds1-0ubuntu1-24.04.1 [14.8 MB]
Fetched 14.8 MB in 1s (20.3 MB/s)

2.Creo y relleno el documento ‘docker-compose.yml’

```
dan@dan-VirtualBox:~/Odoo$ ls
docker-compose.yml
dan@dan-VirtualBox:~/Odoo$ cat docker-compose.yml
version: '3.1'
services:
  web:
    image: odoo:18.0
    depends_on:
      - db
    ports:
      - "8069:8069"
    volumes:
      - odoo-web-data:/var/lib/odoo
      - ./extra-addons:/mnt/extra_addons
  db:
    image: postgres:15
    environment:
      - POSTGRES_DB=postgres
      - POSTGRES_PASSWORD=odoo
      - POSTGRES_USER=odoo
    volumes:
      - odoo-db-data:/var/lib/postgresql/data
volumes:
  odoo-web-data:
  odoo-db-data:
```

3. Activar el Docker con ‘sudo docker compose up -d’.

```
move it to avoid potential confusion

4. Entra en la dirección: <http://localhost:8069>

The screenshot shows a web browser window with the address bar displaying `http://localhost:8069/web/database/selector`. The page features a yellow warning box at the top stating: "Warning, your Odoo database manager is not protected. To secure it, we have generated the following master password for it: **p7fn-ayxz-rzsw**. You can change it below but be sure to remember it, it will be asked for future operations on databases." Below the warning, there is a form with the following fields: "Master Password" (pre-filled with `p7fn-ayxz-rzsw` and a toggle icon), "Database Name" (empty text input), "Email" (empty text input), "Password" (empty text input with a toggle icon), "Phone Number" (empty text input), "Language" (dropdown menu showing "English (US)"), "Country" (dropdown menu), and "Demo Data" (checkbox). At the bottom of the form, there is a blue button labeled "Create database" and a link that says "or restore a database". On the left side of the interface, there is a vertical sidebar with a "Trash" button.
